Marketing Consultancy	Four hours of marketing consultancy, great for people looking to start a business or to take their business to the next level. This could include marketing strategy or web design review and recommendations. Marketing consultancy could include a review of branding strategy, promotion, product distribution, accessing new markets or other marketing issues. For websites, Fulcra would work with decision-makers to understand the company's mission and objectives, provide recommendations on current layout, navigation, messaging and overall experience. For a business without a website, Fulcra would provide tips on inexpensive ways to start a site, and recommendations on for objectives for the site, information that should be contained in the site, navigation, media embedding, overall experience, and inexpensive methods to promote the website. This package also includes \$500 off of support packages for implementation of recommendations.	Matteo Recanatini	<b>MARIA RUIZ</b>
